Product is readily removed from skin by washing thoroughly with soap and water

Regular laundering of contaminated clothing is essential to reduce indirect skin contact with this material.

#### Hygiene Measures

Handle in accordance with good industrial hygiene and safety practice.

### 7.2 Conditions for safe storage, including incompatibilities

Keep containers closed when not in use and store in a cool, dry, ventilated area.

Do not handle or store near heat, sparks, flame or strong oxidants.

### 7.3 Specific end use(s)

#### Exposure Scenario
