Certificate of Verification

Fuel Injector Shear Stability Test Standard FISST (TL-11074)

Part #: 040006	Batch #: 18AC	Expiration date: shown on bottle	
Kinematic Viscosity @ 100°C	Method	Viscosity Loss @ 100°C, cSt (mm ² /s)	Viscosity Loss, %
13.81	ASTM D5275	2.17 cSt	15.69 %*
*Precision determined according to the ASTM D5275 test method.			

This reference oil is intended for use as a FISST Shear Stability Test Standard.

Traceability:

Tannas Company manufactures in accordance with ASTM, EN or IP test method protocol where applicable. The Quality Management System for manufacturing this product is certified to ISO 9001:2015 guidelines. The laboratory test methods utilized for the certification are ISO 17025:2005 accredited and the fluids are traceable to NIST standards.

The viscosity analysis for this reference oil was inspected and verified by the representatives signed below.
