Special protective equipment for fire-fighters

As in any fire, wear self-contained breathing apparatus and full protective gear.

Section 6. Accidental release measures

6.1 Personal precautions, protective equipment and emergency procedure

For personal protection see section 8. Wear a self-contained breathing apparatus, rubber boots and gloves, and disposable coveralls. Dispose of coveralls after use. Remove from ignition sources if safe to do so. Follow emergency response plan and contact proper authorities if needed. Keep unprotected persons away.

6.2 Environmental precautions

Keep spills out of sewers and bodies of water. Kike and contain the spill with inert material. Absorb on sand, vermiculite or diatomite. Transfer material to container for disposal or recovery. Ventilate area and wash spill site after material pickup is complete.

6.3 Methods and materials for containment and cleaning up

Wipe up with absorbent material (e.g. cloth, fleece).
